

GANDHI RAJAN S

B.Tech Information Technology Student | Full-Stack Developer

Email: gandhirajan.dev@gmail.com • Phone: +91 98765 43210 • Location: Tamil Nadu, India

GitHub • LinkedIn • LeetCode • HackerRank

PROFESSIONAL SUMMARY

Dedicated B.Tech Information Technology student and aspiring Full-Stack Developer focused on building modern web applications, responsive user interfaces, REST APIs, and database architecture. Proficient in JavaScript, React, Node.js, Java, Python, and modern databases (MySQL & MongoDB), with a commitment to writing clean, maintainable code and delivering impactful digital solutions.

EDUCATION

Bachelor of Technology (B.Tech) in Information Technology

Academic focus on software engineering, web application development, data structures, and database management systems.

TECHNICAL SKILLS

Programming Languages:	Java, Python, C, JavaScript
Frontend Development:	HTML5, CSS3, JavaScript, React, Bootstrap, Tailwind CSS
Backend & Databases:	Node.js, Express.js, MySQL, SQLite, MongoDB, REST APIs
Tools & Platforms:	Git, GitHub, VS Code

KEY PROJECTS

Personal Portfolio Website | [HTML5](#), [CSS3](#), [JavaScript](#)

- Designed and developed a modern, responsive developer portfolio featuring dark glassmorphism design, particle animations, interactive UI components, and smooth navigation.

Inventory Management System | [React](#), [Node.js](#), [MySQL](#)

- Built a full-featured inventory tracking system supporting complete CRUD operations, real-time stock alert monitoring, analytics reporting, and database management.

Real-Time Task Management Dashboard | [React](#), [Node.js](#), [MongoDB](#)

- Created a collaborative task management platform with real-time status updates, kanban drag-and-drop workflow boards, and secure JWT user authentication.

Micro-Blogging Application | [React](#), [Firebase](#), [Tailwind CSS](#)

- Developed a lightweight social platform for short-form content featuring real-time feed updates, user authentication, and a responsive mobile-first interface.

CERTIFICATIONS & ACHIEVEMENTS

Python for Data Science (Certification)

- Comprehensive coverage of data analysis, visualization, and machine learning fundamentals with Python.

Open Source Contributor (Achievement)

- Active open-source contributor delivering bug fixes and feature additions to community repositories on GitHub.
